

# Taylor Dayne, Send Me A Lover

(Rick Hahn, George Thatcher)

I wasn't searching  
To end this hurting  
But out of nowhere  
You made me feel  
I cried about it  
I lied about it  
And tired to doubt  
This could be real  
You've touched me far too much  
I'm letting go of all the pain  
I'm into you in every way  
Send me a lover  
Someone to believe in  
Please send me someone I can hold  
Baby now  
Send me a lover  
A new beginning  
Someone to take away the cold  
And give me back  
What I've been missing  
All the love that lays and waits inside your heart  
It still astounds me  
The way you found me  
It's almost too good  
To be true  
From our first meeting  
I had the feeling  
The rest of my life  
I'd spend with you  
I can't just turn my back  
On everything I've heard you say  
I'm into you in every way  
Chorus  
I thought that love was only a word  
I'd never feel  
All the passion I hold inside  
Was simply just a dream  
Out of your heart you gave to me  
I know it's real  
And I've fallen  
So in love with you  
Chorus
