

# Taylor Dayne, Unstoppable

(T. Dayne, A. Roman)  
Sweet love buttercup  
I want to drink you up  
Slowly from a fountain  
Springtime, summer rain  
Like a hurricane  
That's blowin' all around me  
Cause everything you do  
Makes me feel so good  
Everything you say  
Takes me far away  
Everybody needs  
Somebody to squeeze  
I just want to be  
That somebody you need  
You put me on the top  
Turn me all around  
Shakin' me all up  
You're takin' me down  
It's unstoppable  
My love, for you  
Ohh weee  
Just put me in your heart  
Don't put me on a shelf  
I'll give you all I got  
To you and no one else  
It's unstoppable  
My love, for you  
Ohh weee  
Everywhere you go  
All of the ladies know  
What you have to offer  
You're the kind of guy  
Who makes em feel all right  
And I know why they're talkin'  
Cause nobody can do  
Exactly what you do  
Nobody comes near  
What you give to me  
Baby open up  
All of you I want  
All of you I need  
To reach that ecstasy  
You put me on the top  
Turn me all around  
Shakin' me all up  
You're takin' me down  
It's unstoppable  
My love, for you  
Ohh weee  
Just put me in your heart  
Don't put me on a shelf  
I'll give you all I got  
To you and no one else  
It's unstoppable  
My love, for you  
Ohh weee  
Yeah, oh,  
Ahhh  
You put me on the top  
Turn me all around  
Shakin' me all up  
You're takin' me down  
It's unstoppable

My love, for you  
Ohh weee  
Just put me in your heart  
Don't put me on a shelf  
I'll give you all I got  
To you and no one else  
It's unstoppable  
My love, for you  
Ohh weee  
You put me on the top  
Turn me all around  
Shakin' me all up  
Bringin' me down  
It's unstoppable  
My love, for you  
Ohh weee  
Just put me in your heart  
Don't put me on a shelf  
I'll give you all I got  
To you and no one else  
It's unstoppable!
