

Taylor Swift, Exile (featuring Bon Iver)

I can see you standing honey
with his arms around your body
Laughing but the joke's not funny at all

And it took you 5 whole minutes
To pack us up and leave me with it
Holding all this love out here in the hall

I think i've seen this film before
And i didn't like the ending
You're not my homeland anymore
So what am i defending now?*
