

# Taylor Swift, Style

Midnight, you come and pick me up  
No headlights  
Long drive, could end in burning flames or paradise  
Fade into view, it's been a while since I have even heard from you  
I should just tell you to leave cause I  
Know exactly where it leads but I  
Watch us go round and round each time

You got that James Dean day dream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down, we come back every time.  
Cause we never go out of style  
We never go out of style

You got that long hair, slicked back, white t-shirt.  
And I got that good girl faith and a tight little skirt,  
And when we go crashing down, we come back every time.  
Cause we never go out of style  
We never go out of style.

So it goes  
He can't keep his wild eyes on the road  
Takes me home  
Lights are off, he's taking off his coat  
I say I heard that you been out and about with some other girl  
Some other girl  
He says, what you've heard it's true but I  
Can't stop thinking about you and I  
I said I've been there too a few times

Cause You got that James Dean day dream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down, we come back every time.  
Cause we never go out of style  
We never go out of style

You got that long hair, slicked back, white t-shirt.  
And I got that good girl faith and a tight little skirt,  
And when we go crashing down, we come back every time.  
Cause we never go out of style  
We never go out of style.

Take me home  
Just take me home  
Just take me home

You got that James Dean day dream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down, we come back every time.  
Cause we never go out of style  
We never go out of style
