TC Matic, Living On My Instinct

Projects your dreams
One way to escape
L'hymne l'amour
Chaque jour
L'odeur de l'amour
Chaque jour
Sometimes it's allright
To feel sad
But if it controls you
It's bad
Living on my instinct

Madness to need a home
A home to live in
Do what you do
Do what you do
If you feel safe
I think you're in trouble
If you feel safe
I think you're in trouble
