(feat. Faction)

Yeah, yeah

Goin on missing my baby Haven't seen her that much lately and though she seems unchanged by time She's not even sayin' hello She said goodbye I think about it all the time She's on my mind I wish I had her in my life But she said goodbye Yeah, yeah She said goobdye Yeah, yeah I don't think she knows What she's doin to me When she said goodbye Well she runs from the sound of my feet on the ground And she screams when I cried out loud When I cried out loud She said goodbye I think about it all the time She's on my mind I wish I had her in my life But she said goodbye Yeah, yeah She said goodbye She said goodbye I think about it all the time She's on my mind I wish I had her on my life But she's in my mind Yeah, yeah She's on my mind
