Teddy Pendergrass, My Latest And My Greatest

I've been so many places, I've seen so many things But none quite so lovely as you More beautiful than the Mona Lisa Worth more than gold And my eyes have the pleasure to behold

You're my latest and my greatest My latest, my greatest inspiration

Things never looked clearer, peace within never felt nearer My burden's gone, it's turned to a song Tender as a baby's touch, I needed you, oh, so much At last the load is so light

You're the latest and my greatest My latest, my greatest inspiration

I plan to give you all that I have I'll be everything, everything you think I am You make life a joy to live And I'm thankful, yes, I'm blessed just to know you

I've been so many places, I've seen so many things But none quite so delectable as you More beautiful than the Mona Lisa Worth more than gold And my eyes have the pleasure just to behold

You're my latest, tell you you're my greatest My latest, my greatest inspiration You inspire me, inspire me Don't you know, my latest, my greatest inspiration

You keep just keep on liftin' me up now (Higher) Mmm (Higher) You inspire me, I want you to keep liftin' me up (Higher) (Higher)
