

# Teddy Thompson, Sorry To See Me Go

I might be leaving soon  
Away with the new moon  
Just wanted to let you know  
In case you might be sorry to see me to go

Yeah I must be going now  
Train leaves on the hour  
Don't think I'm coming back  
I'm just wondering what you think of that  
And I saw you in the bar last night  
Taking drinks from every guy  
Foolish me for thinking we had something

So I guess I'll move along  
Find somewhere else to sing my song  
Don't say it I think I know  
You won't be sorry to see me go
