Teen Idols, Peanut Butter Girl

When I need a meal to satisfy me My baby's right on time I don't need a graduate of home ec. Because she does just fine

Creamy, crunchy, plain or smooth White or wheat with jelly too There's nothing I wouldn't do For my peanut butter girl She's my peanut butter girl

She don't know how to make an omelette Or pancakes, steak or stew All she knows are peanut butter sandwiches With jelly cut in two

Cut in half without the crust She's the object of my lust I love her because She's my peanut butter girl
