Teenage Fanclub, Did I Say

Hey, did I say i don't mind if you want to go home
Take me there no you don't have to travel alone
through the night cross the sea going back in time
here for you now were you waiting for me

Hey, did i say that i smiled when i first heard your name
Fell in love and i still feel the same way now fall
Through the night watch the light fall away from you
Here for you now were you waiting for me

Hey, did i say i don't mind if you want to go back
To the lake where you learned how to swim with the sun
Beating down on your back in the morning of dawn
for you girl are you waiting for me

Sun
Beating down on your back in the morning of dawn
for you girl are you waiting for me
