Teenage Fanclub, Sidewinder

Saw you there with long blonde hair Eyes of blue, oh baby, I love you. When you're walking (I love your walk) When you're talking (I love your talk) Look so cute behind your kick I've heard some songs but baby you're a hit. When you're rocking (I love your rock) When you're ticking (I'm your tock) But then again you're a just a thought You think I'm lying but I'm not. I love your touch, I love your style. Hit the snag you know it makes me smile. When you're walking (I love your walk) When you're talking (I love your talk) I love you but you can't see; I love you but baby do you agree When you're rocking (I love your rock) When you're ticking (I'm your tock) Then again you're a just a thought You think I'm lying but I'm not.
