

Teenage Fanclub, Weird Horses

See
See what I wanna find
I can find it by myself
But I feel
I feel like I recognize
what I see in someone else

When I feel like I'm fucked up
I don't know if the stars
have been stuck up
and somewhere behind
time has snuck up

Why
Why is a friend of mine
He reminds me of you so
So why
Why should I recognize
what my thoughts are gonna grow

When I feel like I'm fucked up
If I feel like the stars
have been stuck up
and somewhere behind
time has snuck up
You call by to say hi

When I'm fucked up
And I don't know if the stars
have been stuck up
But with you all my fears
have been sucked up
