

# Tei Shi, Bassically

Baby, I'll behave  
If you let me stay  
Please don't say  
That I'm begging you for love  
Baby, let me stay  
When the world is gone  
Promise I'll behave  
Never right you wrong  
Is that what you want  
Like the other boys?  
Someone you can throw  
Like the other toys?

Is that what you found  
Like the other boys  
Someone you can drown  
Like the other noise?!

Baby, I'll behave  
If you let me stay.  
Please don't say  
That I'm begging you for love.
