

Television Personalities, I Don't Want To Live Thi

I feel so foolish now
Like a king who's lost his crown
But my young heart still yearns
And my young heart still burns

But the violence of this world
Is sick and so absurd
And my world is tumbling down
And my head is spinning round

And I don't want to live this life
No I don't want to live this life

I've had better days than this
I've been paralysed with bliss
I've had more than I deserve
But now I've lost my nerve

It's time I went away
It's time I found my place
I've lost so many friends
I'm ashamed to show my face

And I don't want to live this life
No I don't want to live this life

But my young heart still yearns
And my young heart still burns
I feel so foolish now
Like a king who's lost his crown

And I don't want to live this life
No I don't want to live this life
I don't want to live this life
