

# Temple Of The Dog, All Night Thing

She motioned to me  
That she wanted to leave  
And go somewhere warm  
Where we'd be alone  
I do not know, what's going on  
But I'm guessing it's an all night thing  
If it's an all night thing  
Nobody is gonna make it end  
And if it don't begin  
Don't worry that I'll that offense  
And if it's an all night thing  
And we fall like a tear falling  
To the ground  
I'll never come around  
And you'll never hear a word from me  
If it's an all night thing  
I walked along, feeling at ease  
And falling like rain  
Into her scheme  
She won't let on what that will be  
But I'm guessing  
It's an all night thing  
If it's an all night thing  
Nobody is gonna make it end  
And if it don't begin  
Don't worry that I'll take offense  
And if it's an all night thing  
And we fall like a tear falling  
To the ground  
I'll never come around  
And you'll never hear a word from me  
If it's an all night thing
