

Tems, Not An Angel

I was a loner
When I was with you
I would have given myself for you
Now I'm changing over
I'm moving on now
No turning back, I can't be with you

I don't need you looking for me
All you did was give me nothing, oh
Overthinking every morning
Take me out your life
Life

'Cause I'm not an angel
I'm just a girl that knows the truth
And I couldn't save you
You couldn't see what I've been through
I'll cut my losses in peace
I don't need nothing else from you
'Cause I'm not an angel
I know I did all I could do

Don't say you love me
Baby, I don't need your loving
But I prefer I'm sorry
All of a sudden you asking for me
You know your love don't do nothing for me
Right now we're not going nowhere
Other than a graveyard, baby
You know your love don't do nothing for me

I don't need you looking for me
All you did was give me nothing, oh
Overthinking every morning
Take me out your life
Life

'Cause I'm not an angel
I'm just a girl that knows the truth
And I couldn't save you
You couldn't see what I've been through

So many girls around you, 'round you
They always calling you baby
But do they love you, love you, love you?
Baby
They always come around
Always tryna call you baby
But do they know you, know you, know you?

'Cause I'm not an angel
I'm just a girl that knows the truth
And I couldn't save you
You couldn't see what I've been through
