"Sasquatch:" You already are la la la you're my son JB, my wittle baby sass, (la la la la la la la la la)

"JB:" Ahhh.

"Sasquatch:" Lets take a dip in the strawberry river, (la la la)

"JB:" Yay!

"Sasquatch:" C'mon! (C'mon baby lets go!)

Here we go, here we go, here we go,
Ooh la la la, oo papagenu, he's my papasass!
Ooh la la la, oo papagenu, he's my sassafrass!
Here we go, here we go, here we go,
Ooh la la la, oo papagenu, he's my papasass!
Ooh la la la, oo papagenu, he's my sassafrass!

"JB:" Wheeeee!

"Sasquatch:" We're flying!

"JB:" We're flying!

"Sasquatch:" Hold on boy!

"JB:" Down where the sasquatch hide,
In the misty mountainside,
He's got shiny diamonds that he's got to protect,
Look into the sasquatch eye,
then you'll know that sass can fly.
Sasquatch is my daddy and he's going to protect me!
Half man, half machine,
On the cover of a magazine,
Bigfoot is my father and he's got to protect me!
These lyrics don't make sense,
Think I've found the evidence,
That yeti is my papa and he wants to protect me!
