

Teresa Brewer, Dancin' With Someone (longin' For You)

DANCIN' WITH SOMEONE

Teresa Brewer

While dancin with someone
And longin' for you
I saw you, my darlin' with somebody new
And over his shoulder I watched you dance by
The smile on your lips bright a tear to my eye
The music stopped playin' but you couldn't see
That my eyes were sayin' "Change partners with me."
You looked oh so happy but you never knew
I was dancin' with someone and longin' for you
