

Terrorvision, Can't Get You Out Of My Mind

All right now, so she knows what going on,
Just lately she hates me, can't take no more,
And I cannot guarantee the things you say to me will make me run along,

I wanna tell you, how much I miss you,
I need to be you, I need to see you,
I got to tell you how much I need you,
'Cos I can't get you out of my mind,
Give me one more,

It's up to me she said,
Decisions mine and yet I don't know what to do I really don't know what to do,
She told me straight she said the plan was safety don't forget what to do now don't forget what to do
I promised you security forever, every night and every day,
Because,

I wanna tell you, how much I miss you,
I need to be you, I need to see you,
I got to tell you how much I need you,
'Cos I can't get you out of my mind,
Give me one more try,

My conscience plays tricks upon me, I'm not guilty until proved,
But your refusal to get to know me leaves me so confused I don't know what to do,

I wanna tell you, how much I miss you,
I need to be you, I need to see you,
I got to tell you how much I need you,
'Cos I can't get you out of my mind,
Give me one more try,
I wanna tell you, how much I miss you,
I need to be you, I need to see you,
I got to tell you how much I need you,
'Cos I can't get you out of my mind,
