

That's So Raven, Shine (Raven)

Ooh-ooh!

Ooh-ooh!

I know what I'm all about,
Nobody's gonna change me.
And I-I stand my ground
And deal with negativity.

I got my mind made up,
I'm gonna do whatever makes me happy.
One step at a time,
I choose my own destiny.

Oh!

There's no doubt, it's about,
My dream's comin' true.
Won't stop! Can't stop!
Do what I need to do.

I can stand upon my own,
No one can bring me down, down.
I know I'm gonna shine, shine, shine, shine.

Whoa!

Oh!

Whoa!

I'll never lose sign of
What I want in my life.
I'll stay true to myself.

No one can tell me what the future holds.
I'll stay strong, no matter,
I will survive, I'm gonna shine!

(Dance Sequence)

I can stand upon my own,
No one can bring me down, down.
I know I'm gonna shine, shine, shine.
I will hold my head up high,
I'm gonna make it through, through,
'Cause it's my time to shine, shine, shine, shine!
