

# The 69 Eyes, August Moon

August Moon  
Where are you  
August Moon  
Over the sea

August Moon  
Where are you  
August Moon  
Do you believe

In August Moon - let me follow you  
In August Moon - let me follow you down

August Moon  
Where are you  
August Moon  
Over the sea

August Moon  
Where are you  
August Moon  
Do you believe

In August Moon - let me follow you  
In August Moon - let me follow you down  
Let me follow you down

Down to the Seven Seas, paces I never be  
Down to the Seven Seas, paces I never be

August Moon  
Where are you  
August Moon  
Over the sea

August Moon  
Where are you  
August Moon
