

The 69 Eyes, Turbobitch

Did you know that I was born speedbound
Burning up the road faster than sound
She's got the power the power that I need
Gotta keep on moving on full speed

T.U.R.B.O. gotta go
T.U.R.B.O. it ain't slow
T.U.R.B.O. gotta go
T.U.R.B.O. fucking turbo

Gimme speed bikes booze and dames
The all-american speedway right down into flames
On the freeway to hell with my customized
My v-8 baby keeps me downright satisfied

T.U.R.B.O. gotta go
T.U.R.B.O. it ain't slow
T.U.R.B.O. gotta go
T.U.R.B.O. fucking turbo

I gotta get my kicks with the turbobitch

C'mon get your kicks on Route 666
