

# The Abyssinians, Forward Jah

Forward Jah  
Jah forward  
Forward Jah  
Jah forward

Forward Jah Jah  
And look at what you see  
A lot of happenings now  
On earth, earth these days  
Forward Jah Jah  
Forward I praise  
You&#039;ve already told us  
Of the happenings we see today

Forward Jah Jah  
And look at man and man  
He is suffering now  
Upon, upon the land  
Forward Jah Jah  
Forward I praise  
You&#039;ve already told us  
Of these happenings we see today

Forward Jah Jah  
Oh forward Jah  
Won&#039;t you help me in the land  
Of the fire and the skyroads  
Forward Jah Jah  
Oh come and see the sun  
Help my people them a fuss and fight  
Shouldn&#039;t kill each other for no right  
Forward Jah Jah and tell me do you think this is right?  
Forward alone

Forward Jah Jah  
I&#039;m on my bending knees  
I&#039;m begging  
I&#039;m asking  
For freedom you see  
Forward Jah Jah  
Forward I praise  
You&#039;ve already told us  
Of the happenings thats happening today  
Forward Jah Jah  
Oh forward Jah Jah  
Won&#039;t you help me in the land  
Of the fire and the skyroads

Forward Jah Jah  
Oh come and see the sun  
Help my people them a fuss and fight  
Shouldn&#039;t kill each other for no right  
Forward Jah Jah and tell me do you think this is right?  
Forward alone

Forward Jah Jah  
I&#039;m on my bending knees  
I&#039;m begging, I&#039;m asking  
For freedom you see  
Forward Jah Jah  
And look at man and man  
He is suffering  
Upon, upon the land

Forward Jah Jah  
And look on what you see  
A lot of killings now  
Unheard, unheard this day
