

# The Afters, Until The World

I lose myself to find in me  
The way it really ought to be  
It's hard to say I love you  
It's hard to say I need you  
If all is well it's hard to tell  
It hurts to think of someone else  
It's hard to say I'll be there  
It's hard to say I really, really care

Until the world won't turn  
'Till the planets burn  
Until the sun dies I'll be there  
Until the heavens come  
'Til this life is done  
Until the world dies I'll be there

I can't see outside myself  
How can I love for someone else  
It's hard to say I'm sorry  
It's hard to say forgive me  
I can't believe you're here with me  
Into the future I can't see  
It's hard to say forever  
It's hard to say I'll never ever go

Until the world won't turn  
'Till the planets burn  
Until the sun dies I'll be there  
Until the heavens come  
'Til this life is done  
Until the world dies I'll be there (3x)
