

# The Animals, Stop

Stop what you&acute;re doin&acute;, baby come a little closer to me.  
Tell me all your troubles, tell me ev&acute;rything;  
I&acute;ll give you sympathy.

You&acute;re not supposed to say no,  
but when you do,  
I can&acute;t control myself (control myself)  
You&acute;re not supposed to refuse;  
my love for you will make you satisfied sleep,  
Lord, Oh (come on, baby)(satisfied)

Stop feelin&acute; sorry, don&acute;t you know  
I&acute;ll give you anything you say.  
(What I say)  
Look inside my lonely room and tell me  
do you really dig my lonely ways.

You&acute;re not supposed.....

Dream on, dream on, dream on.....  
Stop it, baby!

You&acute;re not supposed to say no but when you do,  
I get upset inside.  
You&acute;re not supposed to say no when do  
I can&acute;t control (myself, myself, myself)  
Hey! You better stop it, baby!
