

The Ark, The Lamb

So you call me a black sheep
Don't you know I am the pure lamb

So you call me a black sheep
Don't you know I am the pure lamb

Ready for sacrifice
So humble and warm
So fearless and strong
But so wrong

So you say a fallen angel...
So you say me are an hypocrite
Don't you know that who the cap fits
Is the one that gonna wear it.

Ready for sacrifice
So humble and warm
So fearless and strong
But so wrong

And he tells me that:
I am the lamb
I am the crucified
I am the lamb
I am the sacrifice

So you say I live in harmony
You sat that you're as pure as you can be...
So you say you're fully satisfied...
Didn't you know... - This is the land where pureness dies.

Yeah, I'm the lamb
I'm the lamb, I'm the lamb
I'm the lamb
I'm the lamb, I'm the lamb
I'm the lamb
I'm the lamb, I'm the lamb
I'm the lamb
I'm the lamb, I'm the lamb
I'm the lamb
I'm the lamb, I'm the lamb...

(Yes I wanted to live, I wanted to love
I raised my bow to the stars above.
I didn't wanna carry your eternal sin
but the profecies carried me within
We're all the children of murderers,
We're all the children of killers
And upon our precious shoulders we carry their original sin.
Lord , now make me ready to walk against the tide,
Hold my head up steady
And may my foot not slide)

I'm the lamb
I'm the lamb, I'm the lamb
I'm the lamb
I'm the lamb, I'm the lamb
I am the lamb
I am the crucified
I am the lamb
I am the sacrifice
I am the lamb
I am the crucified

I am the lamb
I am the sacrifice...
