

# The Babys, Laura

It's been a year since we last met  
But you're still clear in my mind  
You gave me things I can't forget  
You gave me love I still can't find  
Oh Laura I miss you so  
Oh Laura  
Oh  
Sometimes I see you in my dreams  
When I wake up my troubled mind yeah  
I found a new love for myself  
You know I do the best I can  
Oh Laura I miss you so  
Oh Laura  
Oh  
I hope that we meet again  
Oh I've rehearsed the things I'd say  
and if that should never be  
I'll love you 'til I'm blown away  
Oh Laura I miss you so  
Oh Laura  
Oh yeah  
I miss you so  
Oh Laura  
I miss you so  
Oh Laura  
(sometimes I see you in my dreams)
