

# THE BANGLES, In Your Room

I love it in your room at night  
You're the only one who gets through to me  
In the warm glow of the candlelight  
Oh, I wonder what you're gonna do to me  
In your room  
I come alive when I'm with you  
I'll do anything you want me to  
In your room  
I love it in your room all day  
When you're gone I like to try on all your clothes  
You won't regret it if you let me stay  
I'll teach you everything that a boy should know  
In your room  
I'm alive when I'm with you  
Gonna make your dreams come true  
In your room  
I feel good in your room  
Let's lock the world out  
Feels so good when we kiss  
Nobody ever made me crazy like this  
I'll do anything you want me to  
I only want to be with you  
In your room  
In your room
