

The Baseballs, Ring, Ring (A Lovely Sound)

Listen to the sound of the bells tonight they sing:

Ring Ring

(Mmmh, what a beautiful sound)

A long forgotten feeling sneaks up inside it swings:

Ring Ring

(Alright, let's swing it)

Night's announcing something special

Coming up tonight

A symphony of silver bells

And they go

Ring Ring

A lovely sound in my ear

Ring Ring

I've been a good boy all year

Ring Ring

Now is it gonna be a bag of love or just some knick-knack things,

I hear

Ring Ring

A lovely sound in my ear

Ring Ring

My favorite time of the year

Ring Ring

The town is decorated with bling bling

It makes me wanna sing,

Oh yeah

The streets are full of guys dressed up like Santa's twin

Ring Ring

(Ah, look at that cheap costume)

Wishing happy Christmas for a little offering

Ring Ring

(Mmh, I guess they need a dollar)

We all know there's something special

Coming up tonight

A multitude of jingle bells

And they go

Ring Ring

A lovely sound in my ear

Ring Ring

I've been a good boy all year

Ring Ring

Now is it gonna be a bag of love or just some knick-knack things,

I hear

Ring Ring

A lovely sound in my ear

Ring Ring

My favorite time of the year

Ring Ring

The town is decorated with bling bling

It makes me wanna sing, oh yeah

Come and sing along

Won't you sing the song

Cause it's Christmas time

Shimmering avenues

Looking all brand new

Bell sounds are filling in the air

Ring Ring

A lovely sound in my ear

Ring Ring
I've been a good boy all year
Ring Ring
Now is it gonna be a bag of love or just some knick-knack things, I hear

Ring Ring
A lovely sound in my ear
Ring Ring
My favorite time of the year
Ring Ring
The town is decorated with bling bling
It makes me wanna sing, oh yeah

Ring Ring
A lovely sound in my ear
Ring Ring
I've been a good boy all year
Ring Ring
Now is it gonna be a bag of love or just some knick-knack things, I hear

Ring Ring
Ring Ring
