

# The Bates, Be My Baby

Be my Baby  
the night we met  
I knew I needed you so  
and if I had the chance  
Ill never let you go  
and if you say you love me  
Ill make you so proud of me  
well make them  
turn their heads  
in every place to go  
so wont you be  
be my little baby  
say you be my darling  
be my baby now  
Ill make you happy baby  
just wait and see  
for every kiss you give me  
Ill give you three  
since the day I saw you  
I have been waiting for you  
you know I will love you till eternety
