

The Bates, I Can Handle It

Everybody's got a poison heart
That what I know now but it's not so hard
Everybody's got a poison mind
I know
And I can handle it
Yeah, I'm gonna handle it right now
I'm gonna get me a poison heart
I'm gonna be though I'm gonna be hard
I'm gonna get me a poison mind
I'm gonna be a slack I'm gonna be unkind
And I will handle it
Yeah, I'm gonna handle it right now
