

The Battered Ornaments, Twisted Track

People are trying
new ways to travel
but the trains are going much too fast
So many people
used up the sweetness
trying to catch the last train

All the way
all along
the twisted track

People are trying
to get on a new road
but the cars are going much too fast
So many people
used up the sweetness
trying to catch the sun

People are trying
new ways to travel
but the trains are going much too fast
So many people
used up the sweetness
trying to catch the last train
