

# The Beach Boys, Hold On Dear Brother

Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Oh Brother  
Ooooo  
Tried to close my eyes  
To all around me  
Oh no you just can't escape  
If I lose one friend  
Will I still have you

Won't you please  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Oh Brother  
Ooooo  
What can I love that isn't you  
But you never understand inside of me  
Till you realize a look  
You never get more than you took  
Won't you please  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Oh Brother  
Brother  
In your heart you know it love  
A simple feeling that you shout  
I want your love  
You touch my hand  
I need your love  
To carry me home  
In your heart you know it love  
A simple feeling that you shout  
I want your love  
You touch my  
I need your love  
To carry me home  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother  
Hold on dear Brother
