

The Bella Cullen Project, Charlie

[chorus]

Charlies at the funeral
Im sorry,
you have missed him
Leave your number at the tone
And hell get back to you

[JACOB]:

Bella, I know that youre home
Its Jacob
Please dont run away from me
I will be there soon
Bella, dont do something rash
If you do, will have to kick your..
.uh, I gotta go

[chorus]

[ALICE]:

Bella I am coming over
I have seen something that you need to hear
Edward deeply misses you.
He might do something that you and he will both regret.

[chorus]

[EDWARD]:

Charlie,
Please give Bella this message for me.
I know that she is in a better place.
No, I never wanted to hurt her
I was just trying to keep her safe.
Im sorry things ended up this way.
