

# The Bella Cullen Project, Sexy vampire

VERSE 1:

Stephenie Meyer's the queen of all vampires  
How does she make this stuff up?  
She's got to be some form of genius  
With Twilight, she's hit the jackpot

CHORUS:

She's our hero  
How many times in our lives can we drool over vampires?  
She's our hero  
'Cause Edward's so hot he can set the house on fire  
...Yeah, he's one sexy vampire  
Sexy vampire

VERSE 2:

Stephenie Meyer is not a liar  
We know that werewolves are good  
We've got a message to all the Jacob-haters:  
The Volturi want your blood

CHORUS

BRIDGE:

You better stay back  
'Cause Stephenie has got our backs  
And we want you to know

CHORUS
