

The Better World, Same Night

Same Night
(Matt Coban)

And all those words you said to me
There's nothing left in me to see
I'm drowning in thoughts and I realize
There's nothing left of me
I can't get enough of myself
Lost everything else that I've felt
I can't get enough of myself

And I can't control you
But I really think I should
You've made the same mistakes that I've made
Over and over again
I can't get enough of myself
Lost everything else that I've felt
I can't get enough of myself

Cause nothing is happening now
And you can not bring me down
