

# The Black Crowes, Diamond Ring

Come on baby say my name  
Well do you want to play a game  
It feels so good it's almost pain  
And every time is always the same

It could make a man insane  
Well baby that's okay, that's okay

You're the reason I want to sing  
You make me feel like a king  
I love the sunshine that you bring  
I think I'll buy you a diamond ring  
A diamond ring  
Baby baby say I do  
And I'll spend my life with you

Baby lay down by my side  
Baby don't you look divine  
The way you smile should be a crime  
You do it to me every time

It's a feeling that no one could deny  
Baby tell me why  
Tell me why
