

# The Black Keys, Can't Find My Mind

I've got a black skin suit,  
Alligator shoes,  
I've found success,  
And momma I paid my dues,

Everything is fine,  
But I can't find my mind,

I've got a crystal ball,  
Divining rod,  
Magnifying glass, darlin',  
And a pack of dogs,

I looked up my sign,  
Oh, but I can't find my mind,  
No no,  
Okay,

Woo!  
Woo!

I can't find my mind,  
I can't find my mind,  
I can't find,  
My mind,  
My mind,  
My mind,  
My mind,  
My mind,  
My mind,  
My mind,  
My.
