

The Black Keys, Dead and Gone

Nah nah, nah nah, nah nah nah, nah nah /x2
Wo, oh, oh /x2

So long,
Why you waiting so long?
After every single word is said
I'm feeling dead and gone

Along,
Don't you drag me along
If you do, you know I'll follow you
Until the truth is gone

I'll go anywhere you go /x2
oh, oh, oh /x2
All the way, all the way

I'll go anywhere you go /x2
All the way

So long,
Why'd it take you so long?
Every time I hear the whistle blow
I'm down below, you're gone...

Don't call me, I'll call you
With what you say, I'll obey
Cheer tonight, or eatin' right
I need to say, gotta say

I'll go anywhere you go
oh, oh, oh
/4x

Together
All the way, all the way

Nah nah, nah nah, nah nah nah, nah nah /x2
Wo, oh, oh /x2
