

# The Black Keys, GOTTA GET AWAY

I got paid then I was on the road in a heartbeat,  
Mama said, mama said,  
"You got a one track mind,  
But you ain't gonna get it all the time."  
She wasn't lyin'

I went from San Berdoo to Kalamazoo  
Just to get away from you  
I searched far and wide, hopin' I was wrong  
But baby all the good women are gone

My last dime got used up on gasoline,  
What I mean, what I mean  
Atlanta, GA  
By the end of the day  
I'm well away, that's what I say

I went from San Berdoo to Kalamazoo  
Just to get away from you  
I searched far and wide, hopin' I was wrong  
But baby all the good women are gone

And everything I had to say  
Wish we'd gone so far away  
Well now I can't stay

Blacktop,  
I can't stop for no one,  
It's no fun, no fun  
With a one track mind  
If you don't get lucky some time  
But still I'm tryin'

I went from San Berdoo to Kalamazoo  
Just to get away from you  
I searched far and wide, hopin' I was wrong  
But baby all the good women are gone
