

# The Black Keys, Stay All Night

Stay all night,  
Stay a little longer,  
Hold him close,  
(something),  
And love it girl,  
Love it baby,  
Love it babe,  
Love it babe,

Girl I love,  
Girl I need,  
To be your baby,  
Hold me tight,  
And love it girl,  
Love it baby,  
Love it babe,  
Love it babe,  
Alright,

Girl I love,  
Girl I need,  
To be your baby,  
Hold me tight,  
And love it baby,  
Love it baby,  
Love me girl,  
Love it babe,  
Alright.
