

# The Black Keys, The Breaks

(Lean forward slightly,  
Look straight at the speaker,  
And listen with a sparkle in your eye,  
As though you might be thinking,  
"Gee, this is the most wonderful thing I've ever heard in all my life,")

Back in the day,  
We were eye-to-eye,  
The thought of you,  
Had me runnin' wild,  
They say love lost,  
Will never grow,  
But hey hey,  
I still love you so,

Oh, when we met,  
You know the sun did shine,  
From your eyes,  
Back into mine,  
Aww, if the sun,  
It shine no more,  
Well, hey hey,  
I still love you so,

I beg the moon,  
And the stars above,  
Bring me back my,  
That gal I love,  
I know you're gone,  
You're gone for sure,  
But hey hey,  
I still love you so,  
Yeah!
