

The Bouncing Souls, I Like Your Eyes

I love your eyes so much i wanna poke em out
i love your legs so much i wanna break em off
i love your hair so much i wanna rip it out

you played a game with the wrong motherfucker
violent love my violent love

love ya so much i wanna kill ya
i love your face so much i wanna smack it off
i love your pants so much i wanna pull em down

got nothin but love today whip it out and fire
away can you feel the pain in my heart?

look at me again and i'll hit ya
hate ya so much i wanna kill ya
love you so much i wanna love ya
touch me again and i'll kick ya you're my
precious little girl you mean more to me than the world.
