

# The Business, Spirit Of The Street

I'm coming at you with the spirit of the street  
From the ghettos with a hardcore beat  
It don't matter if you're black or white  
It's not your colour that makes it right  
IF YOU MAKE A STAND  
I'LL STAND WITH YOU  
IF YOU TAKE MY HAND  
WE'LL SEE IT THROUGH  
Oi you punk what's wrong with you  
Hardcore kids are coming through  
Oi you skin how about you  
You must unite or we'll be through  
We've done our best to get by  
Problems with this issue won't subside  
One by one you can make a choice  
One beating heart and inner voice
