

# The Buzzcocks, Homosapien

I'm the shy boy  
You're the coy boy  
And you know we're  
Homosapien too  
I'm the cruiser  
You're the loser  
Me and you sir  
Homosapien too  
Homosuperior  
In my interior  
But from the skin out  
I'm Homosapien too  
And you're Homosapien too  
And I'm Homosapien like you  
And we're Homosapien too

And I think of your eyes in the dark and I see the star  
And I look to the light and I might wonder right where you are  
All the gods in the sky way up high see the world spinning 'round  
But the sun and the moon and the stars are so far from the ground

I'm the shy boy  
You're the coy boy  
And you know we're  
Homosapien too  
I'm the cruiser  
You're the loser  
Me and you sir  
Homosapien too  
Homosuperior  
In my interior  
But from the skin out  
I'm Homosapien too  
And you're Homosapien too

And I'm Homosapien like you  
And we're Homosapien too

And the worlds built of age are a stage where we act out our lives  
And the words in the script seem to fit 'cept we have some surprise  
I just want this to last or my future is past and all gone  
And if this is the case then I'll lose in life's race from now on

Homosuperior  
In my interior  
But from the skin out  
I'm Homosapien too  
And you're Homosapien too  
And I'm Homosapien like you  
And we're Homosapien too

And I just hope and pray that the day of our love is at hand  
You and I, me and you, we will be one from two, understand?  
And the world is so wrong that I hope that we'll be strong enough  
For we are on our own and the only thing known is our love  
I don't wanna classify you like an animal in the zoo  
But it seems good to me to know that you're Homosapien too

I'm the shy boy  
You're the coy boy

I don't wanna classify you like an animal in the zoo  
But it seems good to me to know that you're Homosapien too

I don't wanna classify you like an animal in the zoo  
But it seems good to me to know that you're Homosapien too  
I don't wanna classify you like an animal in the zoo  
But it seems good to me to know that you're Homosapien too
