

# The Byrds, Tomorrow Is A Long Ways Away

There's not too many words that I can say  
'cause I can't describe my love for you this way  
So I'll just hold you tight, everything will be all right  
Cause tomorrow is a long ways away  
Tomorrow is a long ways away

And here in my arms you can stay  
Don't be afraid of what the people say  
The only thing I see is the love you have for me  
And tomorrow is a long ways away  
Tomorrow is a long ways away

If you will stay here with me forever  
I want you to know that my love for you will never die

And here in my arms...
