

# The Carpenters, (I'm Caught Between) Goodbye

I have something to tell you  
and I know it won't be easy  
I've been thinking these past few days  
it might be time to leave  
You're like a stranger  
then you're a lover  
Never the same, always hard to believe  
I'm caught between goodbye and I love you  
Never knowing quite where I stand  
I'm caught between goodbye and I love you  
Falling both ways, nowhere to land  
So constantly stranded  
I can't understand it  
This troubled life you've handed me  
Is like the devil and the deep blue sea  
If we go on much longer  
If my doubts grow any stronger  
Then I may have to let you go  
If only to survive  
Give me a reason, why should I stay here  
I've tried too hard just to keep love alive
