

The Carpenters, Little Honda

I'm gonna wake you up early

Cause I'm gonna take a ride wih you

We're going down to the Honda shop

I'll tell you what we're gonna do

Put on a ragged sweat shirt

I'll take you anywhere you want me to

First gear it's all right

Second gear real riot

Third gear hang it tight

Faster (it's all right)

He climbs hills like the magic

Cause my Honda felt really light

When I go into the turn

Stick with me and hang on tight

I better turn on the lights

So I can ride my Honda tonight

First gear it's all right

Second gear real riot

Third gear hang it tight

Faster (it's all right)
