The Carpenters, Man Smart, Woman Smarter

Let us put man and woman together And see which one is smarter Some say man, but I say no The woman got the man like a puppet show

It ain't me, it's the people that say
The men are leadin' the women astray
But I say that the women today
Are smarter than man in every way
Well that's right, the women are smarter
That's right, the women are smarter

Little boy sat down and cried An old man passin' asking him why, he said I can't do what the big boys do Old man sat down and he cried too

Ain't me, it's the people that say
The men are leadin' the women astray
But I say, that the women today
Are smarter than man in every way

That's right, the women are smarter That's right, the women are smarter

That's right, the women are smarter That's right, the women are smarter

Well that's right, the women are smarter Smarter than man in every way
