

# The Carpenters, Only Yesterday

After long enough of being alone  
Everyone must face their share of loneliness  
In my own time nobody knew  
The pain I was goin' through  
And waitin' was all my heart could do

Hope was all I had until you came  
Maybe you can't see how much you mean to me  
You were the dawn breaking the night  
The promise of morning light  
Filling the world surrounding me  
When I hold you

Baby, baby, feels like maybe, things will be all right  
Baby, baby, your love's made me

Free as a song, singin' forever

Only yesterday when I was sad and I was lonely  
You showed me the way to leave the past and all its tears behind me  
Tomorrow maybe even brighter than today  
Sinc I threw my sadness away  
Only yesterday

I have found my home here in your arms  
Nowhere else on earth I'd really rather be  
Life waits for us, share it with me  
The best is about to be  
So much is left for us to see  
When I hold you

Baby, baby, feels like maybe, things will be all right

Baby, baby, your love's made me  
Free as a song, singin' forever

Only yesterday when I was sad and I was lonely  
You showed me the way to leave the past and all its tears behind me  
Tomorrow maybe even brighter than today  
Sinc I threw my sadness away  
Only yesterday
